Dracuseth Maw of Flames

Gold Dragonborn Paladin · Level 4

What you know

Gundren hired you to guard the supply wagon to Phandalin. You earned your name by staying in a burning granary until the last family escaped. You protect the vulnerable and tell the truth, but the others decide their own path. You know nothing secret about the mine or the strange discoveries ahead.

“I can hold the door. You decide where we go.”

Your actions

• Longsword: +3 to hit, 1d8+1 slashing. One attack with your action. A hit with Sap hinders the target's next attack. Sacred Weapon raises your longsword attack to +6 for 10 minutes.

• Bless: three allies add 1d4 to attacks and saves while you concentrate. Shield of Faith gives one ally +2 AC instead; it also needs concentration.

• Lay On Hands: touch and spend points from your 20-point pool to heal as a bonus action. Cure Wounds heals 2d8+3 with an action and a 1st-level slot.

• Fire breath: 15-foot cone or 30-foot line, 1d10 fire, Dexterity save DC 13 for half. Check that allies are clear of its area.

Resources and reminders

• Three 1st-level spell slots; two Channel Divinity uses; two breath uses; six javelins. Inspiring Leader can grant 7 temporary HP after a short or long rest.

• Fire resistance and darkvision 60 ft. You cannot fly yet. Your shield is already equipped; your AC is 18.

• Your first instinct is to protect someone in danger. Ask before taking over another character's task or making the party's decision.

YOUR CHOICE

Who needs your help first on the road, and how will you leave room for them to choose what happens next?
