Trista

Human Monk · Level 1

A second chance on the road

What you know

Gundren Rockseeker trusted you when you needed a second chance. You know the others are helping take supplies toward Phandalin, and Gundren is traveling ahead with Sildar. He wants to return to read Donavan's honest account of whatever happens at the mine. What will you do to make sure he gets that chance?

Your choices will shape what this road becomes.

At the table

Trista | Human Monk · Level 1

AC	HP	SPEED	BEST SKILL
