Donavan Kemp

LEVEL 3 | Wizard 2 / Cleric 1 · Order of Scribes / Knowledge Domain

Human | Sage

Current character handout - 26 September 2026

Brodey's field researcher of the Kemp Archive and Arcane University travels with a barn owl familiar, a staff, and a crowded satchel. You study the multiverse and want knowledge to expose abuse. Record observations separately from theories.

Ready for the next session

You learned that the Black Spider exists and that the Redbrands have Gundren. You cleared the orc camp. At Old Owl Well, Hamun Kost disappeared without fighting. Play stopped just before entering the Redbrand hideout. Agree on your approach when the next session begins.

The traveling party

Trista, Pebble, Donavan Kemp, Ringgo Paul, and Aldric Vane. Dracuseth remains a Waterdeep NPC.
