LEVEL 2 HP - CHOOSE AND RECORD

Fixed: 12 + 8 = 20 max HP

OR Roll: 12 + (1d10 + 2) = _____ max HP

Chosen max HP: _____ Current HP: _____ Hit Dice: 2d10

The party took a long rest. Mark current HP after applying the level-up.

WHAT TO DO ON YOUR TURN

ACTION

Warhammer: roll d20 + 6. On a hit, deal 1d8 + 4 bludgeoning while using your shield.

Handaxe: +6 to hit; 1d6 + 4 slashing. Throw 20/60 ft.

EXTRA OPTIONS

Action Surge: take one extra action on your turn. You can attack once with each Attack action at level 2.

Second Wind: bonus action; heal 1d10 + 2 HP.

Crusher: once on your turn after a bludgeoning hit, move a target up to 5 ft if it is no more than one size larger.

On a bludgeoning critical hit, attacks against that target have advantage until your next turn.

PROTECT AN ALLY

Interception reaction: when a creature you can see hits someone else within 5 ft of you, reduce the damage by 1d10 + 2 while holding your weapon or shield.

Action Surge and Second Wind each return after a short or long rest.

☐ Action Surge available ☐ Second Wind available

Quick skills: Athletics +6 | Insight +3 | Perception +3 | Survival +3

Darkvision 60 ft | Passive Perception 13 | Strength save +6 | Constitution save +4

Next: choose a Fighter subclass at level 3. Battle Master is an option.
