Ringgo Paul

A different kind of living

Cade / Level 3 / Updated 1 October 2026

Tiefling / Rogue 3 / Assassin

A former assassin from Baldur's Gate with a chance to make a different life. Your skill at finding trouble can also help people escape it.

AT A GLANCE	YOUR CURRENT BUILD
Maximum HP / Armor Class	24 HP / AC 16
Speed / Initiative	30 ft. / d20 +4
Proficiency / Hit Dice	+2 / 3d8
Your usual contribution	Scout, investigator, persuasive negotiator, and precision attacker.
Rules profile	2014 Rogue; Investigation is your confirmed second Expertise

Where we are

The party is in Phandalin, immediately before entering the Redbrand hideout. Your shared leads are to find Gundren, address the Redbrand threat, and investigate the Black Spider.

Use this at the table

This is your personal reference and emergency paper copy. Current HP, conditions, spent resources, and ammunition belong on your live sheet. The numbers here do not refill them. Private sections are for you and the DM.

Your party: Trista, Pebble (Byron), Donavan (Brodey), Ringgo (Cade), and Aldric (Bowman).

FIND IT FAST: Turn guide p. 2 / Sheet p. 3 / Resources p. 4 / Story p. 5 / Phone p. 6 / Table reference p. 7

Your turn, at a glance

Say what you want to accomplish, name a target, then choose an action. You can move before and after an action. You normally have one action, one bonus action if an ability grants it, and one reaction that refreshes at your turn's start.

WHEN / CHOICE	WHAT TO DO
Action: weapon attack	Rapier +6, 1d8+4 piercing. Shortbow +6, 1d6+4 piercing, range 80/320 ft. Dagger +6, 1d4+4 piercing, thrown 20/60 ft.
On a hit: Sneak Attack	Add 2d6 once per turn to a qualifying finesse or ranged hit. Usually qualify through advantage, or an enemy of your target within 5 ft. of it who is not incapacitated, while you have no disadvantage. Ask before rolling damage.
Bonus: Cunning Action	Dash, Disengage, or Hide. Hiding needs a suitable place and DM adjudication; pressing Hide is not automatic invisibility.
Bonus: second dagger	After a qualifying attack with a light melee weapon, attack with another light melee weapon in the other hand. Your second dagger uses +6 to hit but 1d4 damage, without the +4. A rapier is not light.
Opening: Assassinate	Advantage against a creature that has not yet taken its turn. A hit against a surprised creature is a critical hit. The DM decides surprise; initiative alone does not create it.
Reaction: Hellish Rebuke	Once per long rest, after a creature you can see within 60 ft. damages you: Dexterity save DC 14, 3d10 fire on failure, half on success. This is your lineage's 2nd-level casting.
Action: Thaumaturgy	Create a brief minor supernatural effect within 30 ft. Useful for presentation or distraction; it does not compel belief or deal damage.

The mistake to avoid

Winning initiative does not automatically surprise an enemy. You do not yet have Uncanny Dodge or Evasion. Ignore Nick/Vex labels from newer-rule exports.

Your sheet reference

ABILITY	SCORE / MODIFIER	SAVE
STR	7 / -2	-2
DEX	19 / +4	+6
CON	14 / +2	+2
INT	10 / +0	+2
WIS	10 / +0	+0
CHA	18 / +4	+4

SKILL	BONUS	SKILL	BONUS
Acrobatics	+6	Animal Handling	+0
Arcana	+0	Athletics	-2
Deception	+6	History	+0
Insight	+0	Intimidation	+4
Investigation	+4	Medicine	+0
Nature	+0	Perception	+2
Performance	+4	Persuasion	+6
Religion	+0	Sleight of Hand	+6
Stealth	+8	Survival	+0

Senses and languages

Darkvision 60 ft.; resistance to fire. Languages: Common, Infernal, Thieves' Cant. Passive Perception 12.

Already included: ability modifiers and proficiency. Do not add proficiency again to the listed bonuses. Ask the DM which skill or saving throw applies.

Resources and good habits

RESOURCE	CAPACITY / RECOVERY
Hellish Rebuke	1 / long rest

Sneak Attack is not a pool

It does not run out, but only applies once per turn when its conditions are met. A qualifying reaction attack can sometimes use it on another creature's turn. Ask the DM; do not add it to every attack.

Equipment and tools

Your current build uses studded leather, rapier, shortbow, daggers, thieves' tools, and disguise/poisoner tool proficiencies. Track arrows and thrown daggers. The ten pitons on the sheet are climbing spikes, not ten healing potions.

Example turn

Pick a target beside an ally or attack from a valid hidden position. If you hit and qualify, roll weapon damage plus 2d6 Sneak Attack. Then choose a Cunning Action for safety or a legal second-dagger attack; both use your one bonus action.

Paper tracker: Current HP ____ / 24 Temporary HP ____
Hit Dice remaining ____ Concentrating on _____

What you actually know

Confirmed stopping point: immediately before the Redbrand hideout. The hideout's events have not yet been recorded as played.

RECORD	CONFIRMED SO FAR
Cragmaw Hideout	Klarg was killed. The party bargained with Yeemik to free Sildar, then left Yeemik in charge.
Rescue and arrival	Sildar was rescued and came to Phandalin. The whole party and Sildar took a long rest after the hideout.
The investigation	The party learned that the Black Spider exists and that the Redbrands have Gundren. Gundren's present location has not been established for the party.
Other encounters	The orc camp was cleared. Hamun Kost disappeared instead of fighting; his destination and method are unconfirmed.
Treasure and help	Copper and silver were found; amounts and division are unrecorded. A potion found in the hideout was used to help Aldric after he fell. Do not add it back to inventory.

For you and the DM

Your old work is yours to discuss with the party. No new contact, debt, bounty, or confrontation becomes real merely because it would make an interesting story. Tell the DM which parts of your past you want to explore.

Your personal opportunities

Make expertise useful: Search a specific object or room, compare accounts, or help the party find a safer entrance.
Build legitimate work: Look for a task that rewards discretion without requiring a killing.
Choose your response: Assassin is a combat subclass, not a requirement to murder. Deception, negotiation, retreat, and mercy remain available.

These are choices you can pursue, not events that have already happened or obligations imposed on your character.

Your phone at the table

OPEN	WHAT IT IS FOR
Table	Current objective, your turn, initiative, dice, and requests. Pick an action and target, then send it for DM review.
My sheet	Abilities, attacks, spells, resources, and character information. Check your name, HP, and conditions at the start of play.
Journal & clues	Published information and personal clues/notes. Use Share with party deliberately when you want a private clue shared.
Loot & promises	Party inventory and important commitments. Request a claim, transfer, equipment change, or item use; review who carries it.

Join your own character

Use the DM's current QR code or full direct join link. Select **Ringgo Paul** and confirm the assignment. If it is already claimed, ask the DM to release or reassign that one phone. Do not choose another player's character as a workaround.

An action, from idea to result

Choose the action, slot or resource if relevant, and target. Explain anything unusual. Send once. **Waiting** means the DM has not decided; **needs clarification** means revise the details; **approved** is permission; **resolved** means the effects have been handled; **declined** means choose another approach. Revise or cancel pending requests when your intention changes.

Roll once; spend once

When prompted, roll digitally or enter the requested physical-dice result. Check whether the field wants a natural die or a total. Do not submit both. After resolution, check HP, resources, and concentration before manually changing them; the approved workflow may already have applied them.

Quests and exploration

The main quest appears on the TV. Shared side quests are on phones; character quests go to their owner. Use Active and Completed views where available. An unpublished quest is not a known objective. Movement, searches, and destination requests still need DM approval.

If the connection drops

Tell the DM, then reopen the current link in Safari or Chrome on the table Wi-Fi. If scanning fails, type the full link, including http:// if supplied. Check the last-updated time. A cached sheet is a reference; live rolls and changes require reconnection. Keep this PDF available offline.

Play confidently

You do not need the perfect button

Describe your intent first: "I want to get them out safely," "I search this lock for a trap," or "I ask what they actually saw." The DM tells you whether a roll is needed. Conversation, scouting, research, surrender, and retreat are valid choices.

AT THE TABLE	QUICK REMINDER
A d20 test	Roll d20 plus the listed bonus. Meet or beat AC for an attack or the difficulty for a check/save. Damage is usually a separate roll.
Advantage / disadvantage	Roll two d20s, keeping the higher / lower. They do not stack; having both cancels them. Let the DM confirm the reason.
Movement and reactions	Describe your path; difficult terrain costs extra movement. Leaving an enemy's reach can provoke an opportunity attack unless an exception applies. Say "I have a reaction" before the result is finalized.
Concentration	Only one concentration effect at once. Damage usually calls for a Constitution save, DC 10 or half the damage taken, whichever is higher. Check each damage instance with the DM.
At 0 HP	Ask the DM for death saves and mark successes/failures. Healing, stabilizing, taking damage, and being unconscious are different. Do not skip a save or declare a recovery yourself.
Resting	Ask whether the location and time permit a rest. Review Hit Dice and feature recovery before applying it. A printed maximum is not a record of what remains.

Before you leave the table

Confirm current HP and resources, important loot and its carrier, new facts versus guesses, promises, and your next objective. Tell the DM about any mistake while it is easy to correct. Note one moment you enjoyed and one thing you want your character to pursue.

Comfort and cooperation

You can pause, ask for clarification, or request that a scene happen off-screen. Give others room to contribute. Private character knowledge is roleplay material, not permission to derail another player's choices.

Record basis: Current campaign record; Cade's updated level 3 sheet; 2014 Rogue/Assassin and Tiefling; DM-confirmed Stealth and Investigation Expertise. Build checked against the 1 October 2026 campaign backup. This is a practical summary, not complete book text. The DM adjudicates edge cases and records table rulings.
